### ADOPTION APPLICATION

Thank you for considering adopting a GERL horse. We at GERL believe that these horses deserve to live out their lives with adopters who will endeavor to respect them and care for them. We want our prospective adopters to fully understand the financial, emotional, and physical commitment required of an adopter. This application is intended to aid both you and GERL in determining if you are adequately prepared to give a GERL horse a permanent home. Please be as thorough and accurate as possible in completing this application and feel free to add supplemental sheets if necessary. Please return your completed application to the above address.
